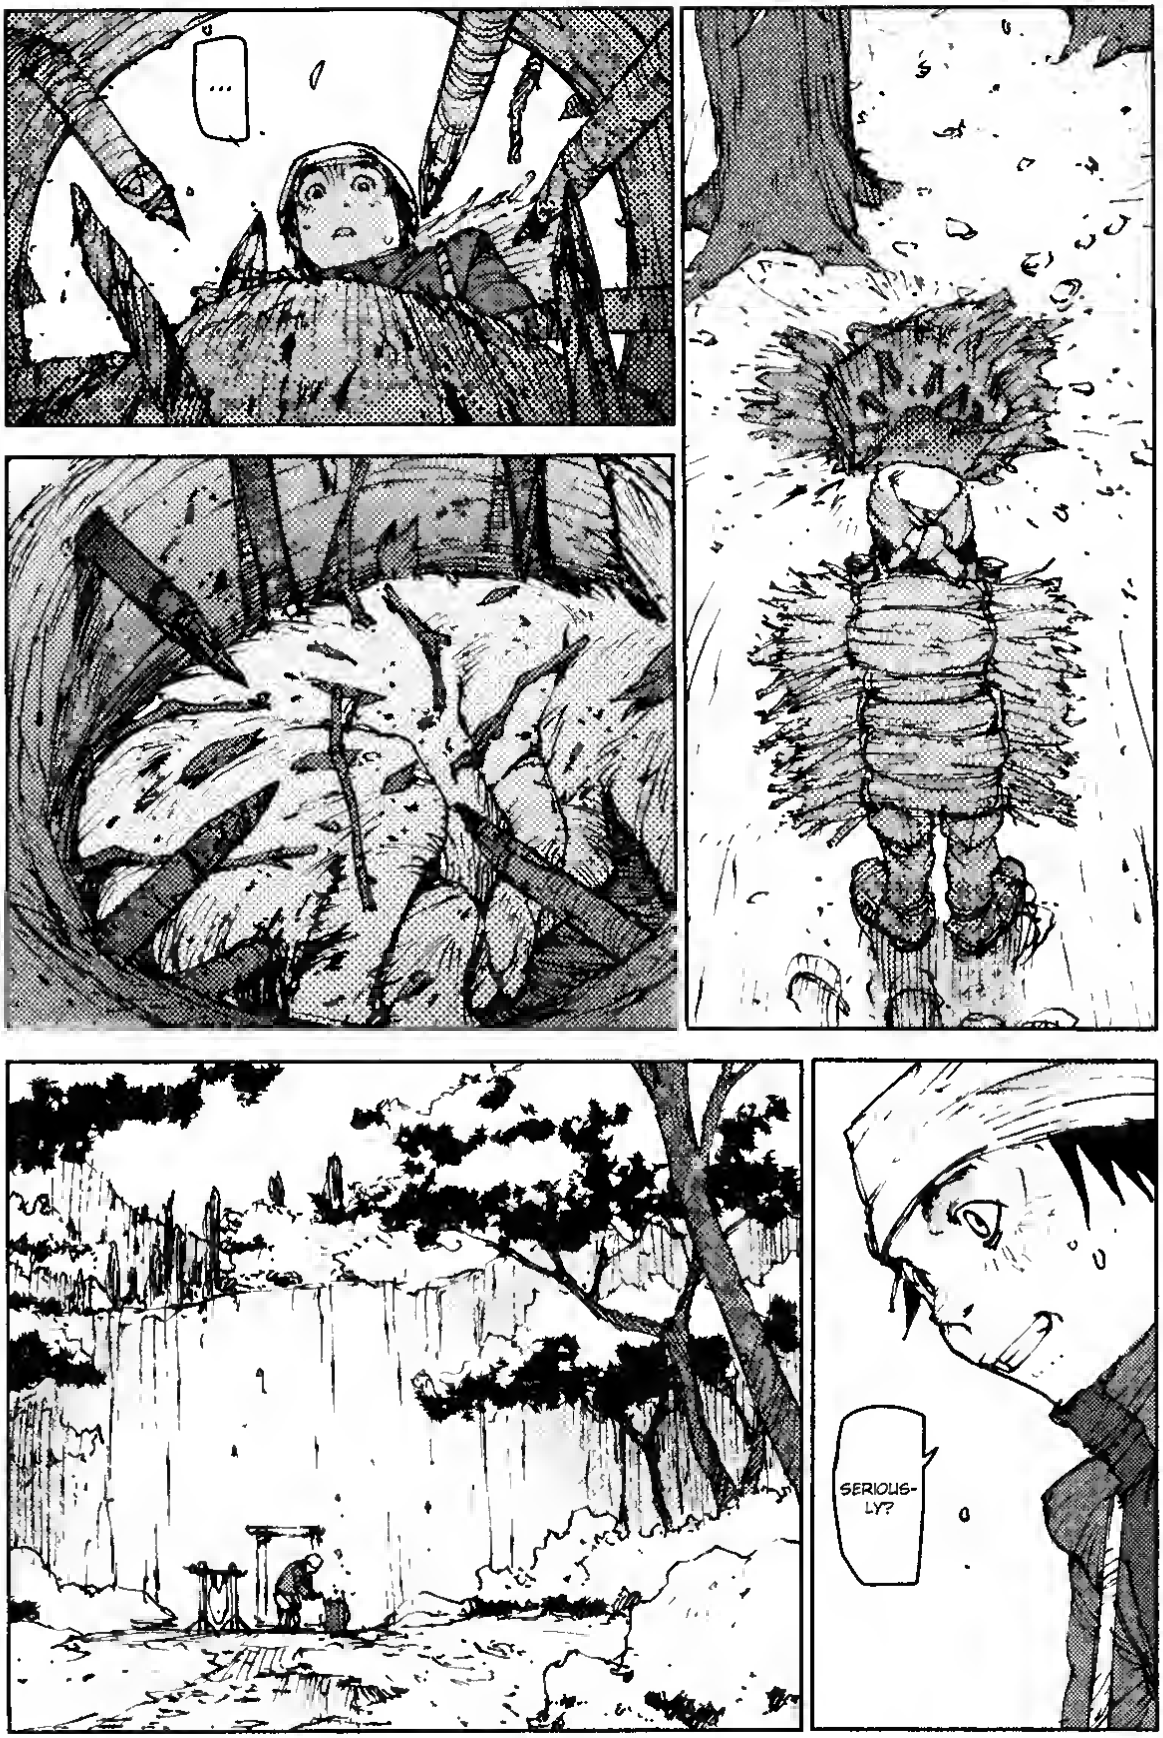
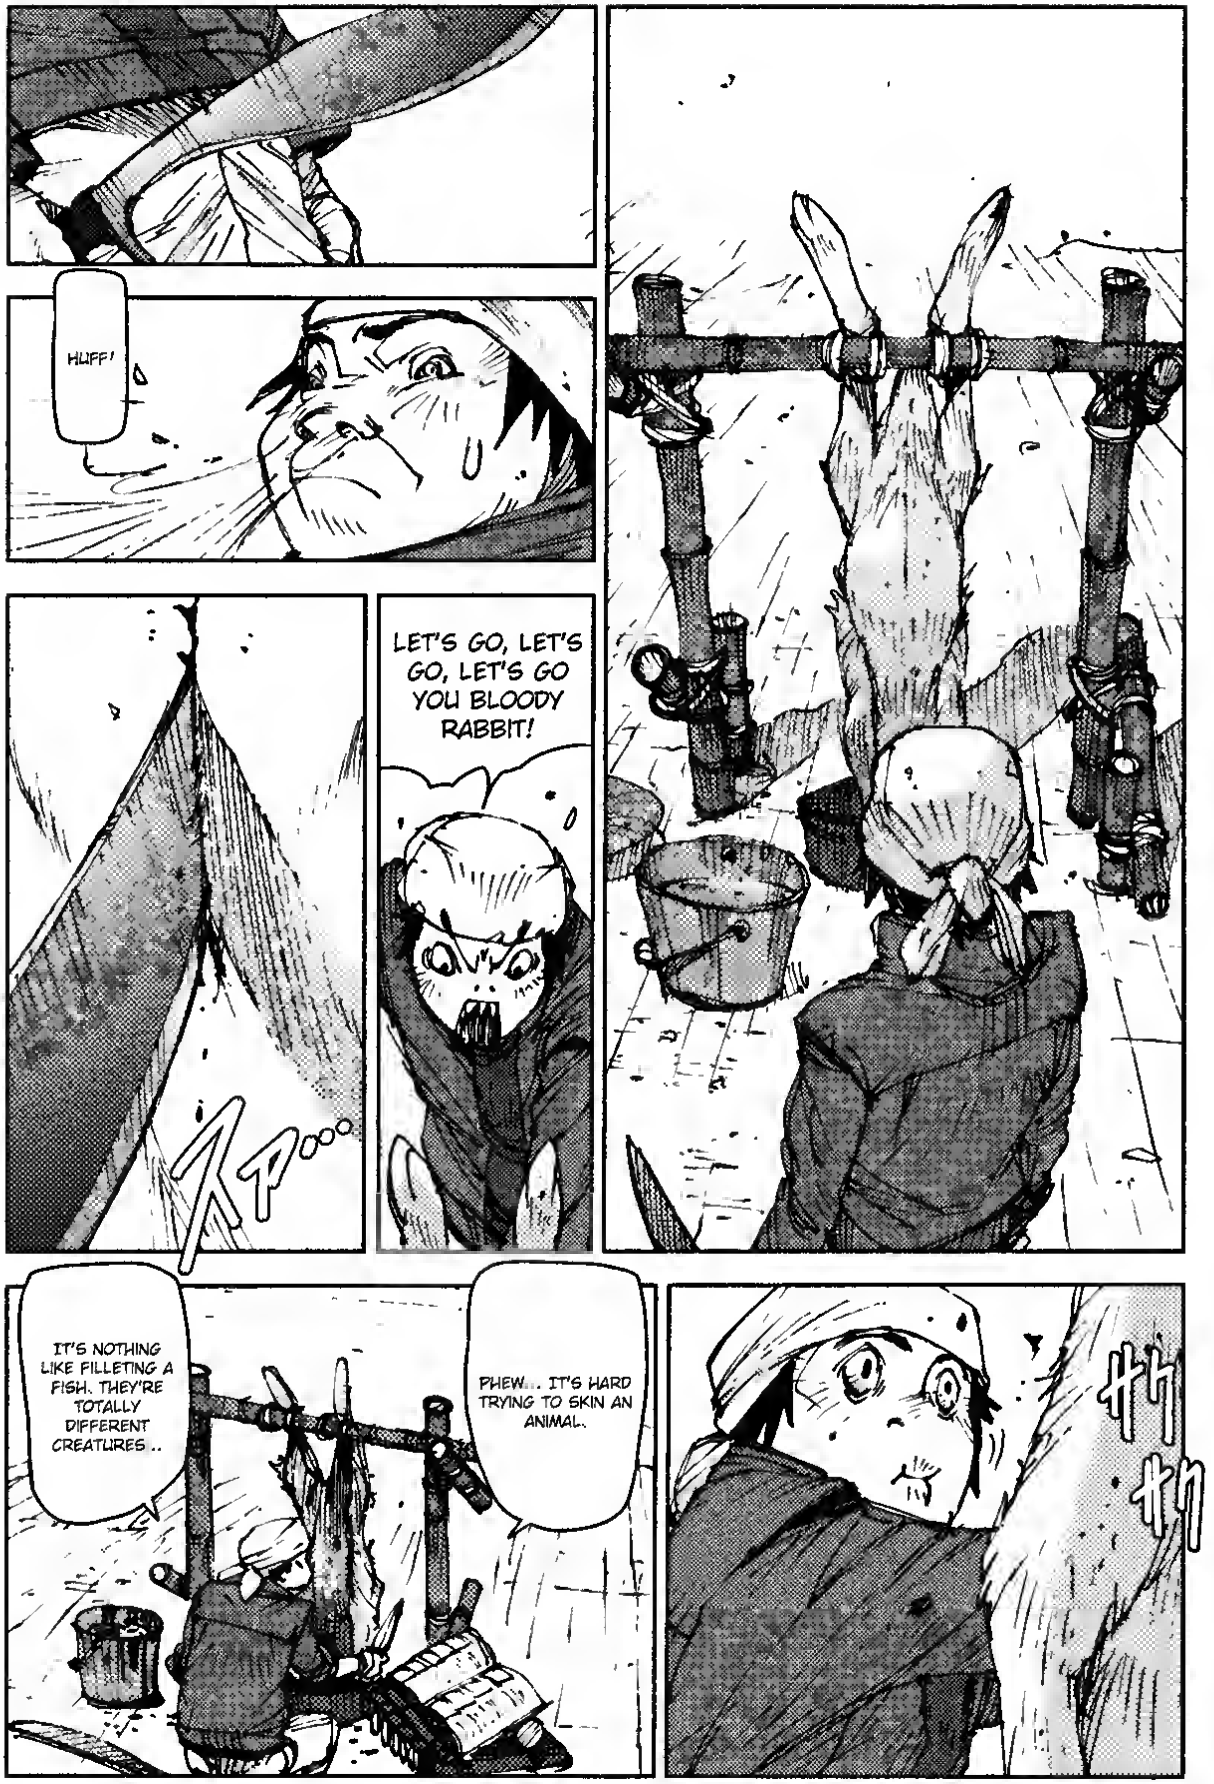
DANGER 16

IN FACT THIS IS PRETTY GREAT. IT MIGHT'VE WITHERED, BUT THAT MAKES IT PERFECT TO USE FOR INSULATION, OR AS FUEL.
NOT TOO BAD.
GREAT. EVEN WITH THE SNOW PILING UP, SOME ZEBRA GRASS MANAGED TO SURVIVE.



...
SERIOUSLY?

I HOPE I DID IT WELL ENOUGH...
I GET IT.. LIKE THIS I SHOULDN'T NEED TO FREQUENTLY BUNDLE THE FIREWOOD UP
THE BOY HAD LEARNED THE IMPORTANCE OF PRESERVING HIS CINDERS.
BEING IN ENGLISH, THE BOY WAS UNABLE TO UNDERSTAND WHAT WAS WRITTEN IN THEM. INSTEAD, HE HAD TO RELY ON THE PICTURES... IT WAS LIKE THIS THEN THAT HE LEARNED HOW TO PRESERVE HIS CINDER
THE BOOKS LEFT ONBOARD THE YACHT CONTAINED ALL MANNER OF SURVIVAL TECHNIQUES.
READING THROUGH THE BOOK, THE BOY COULDN'T HELP BUT FEEL...
COOL, I'LL...
DO THAT NEXT!
THAT IT WERE AS THOUGH SOMEONE WAS TELLING HIM TO "LIVE ON"!



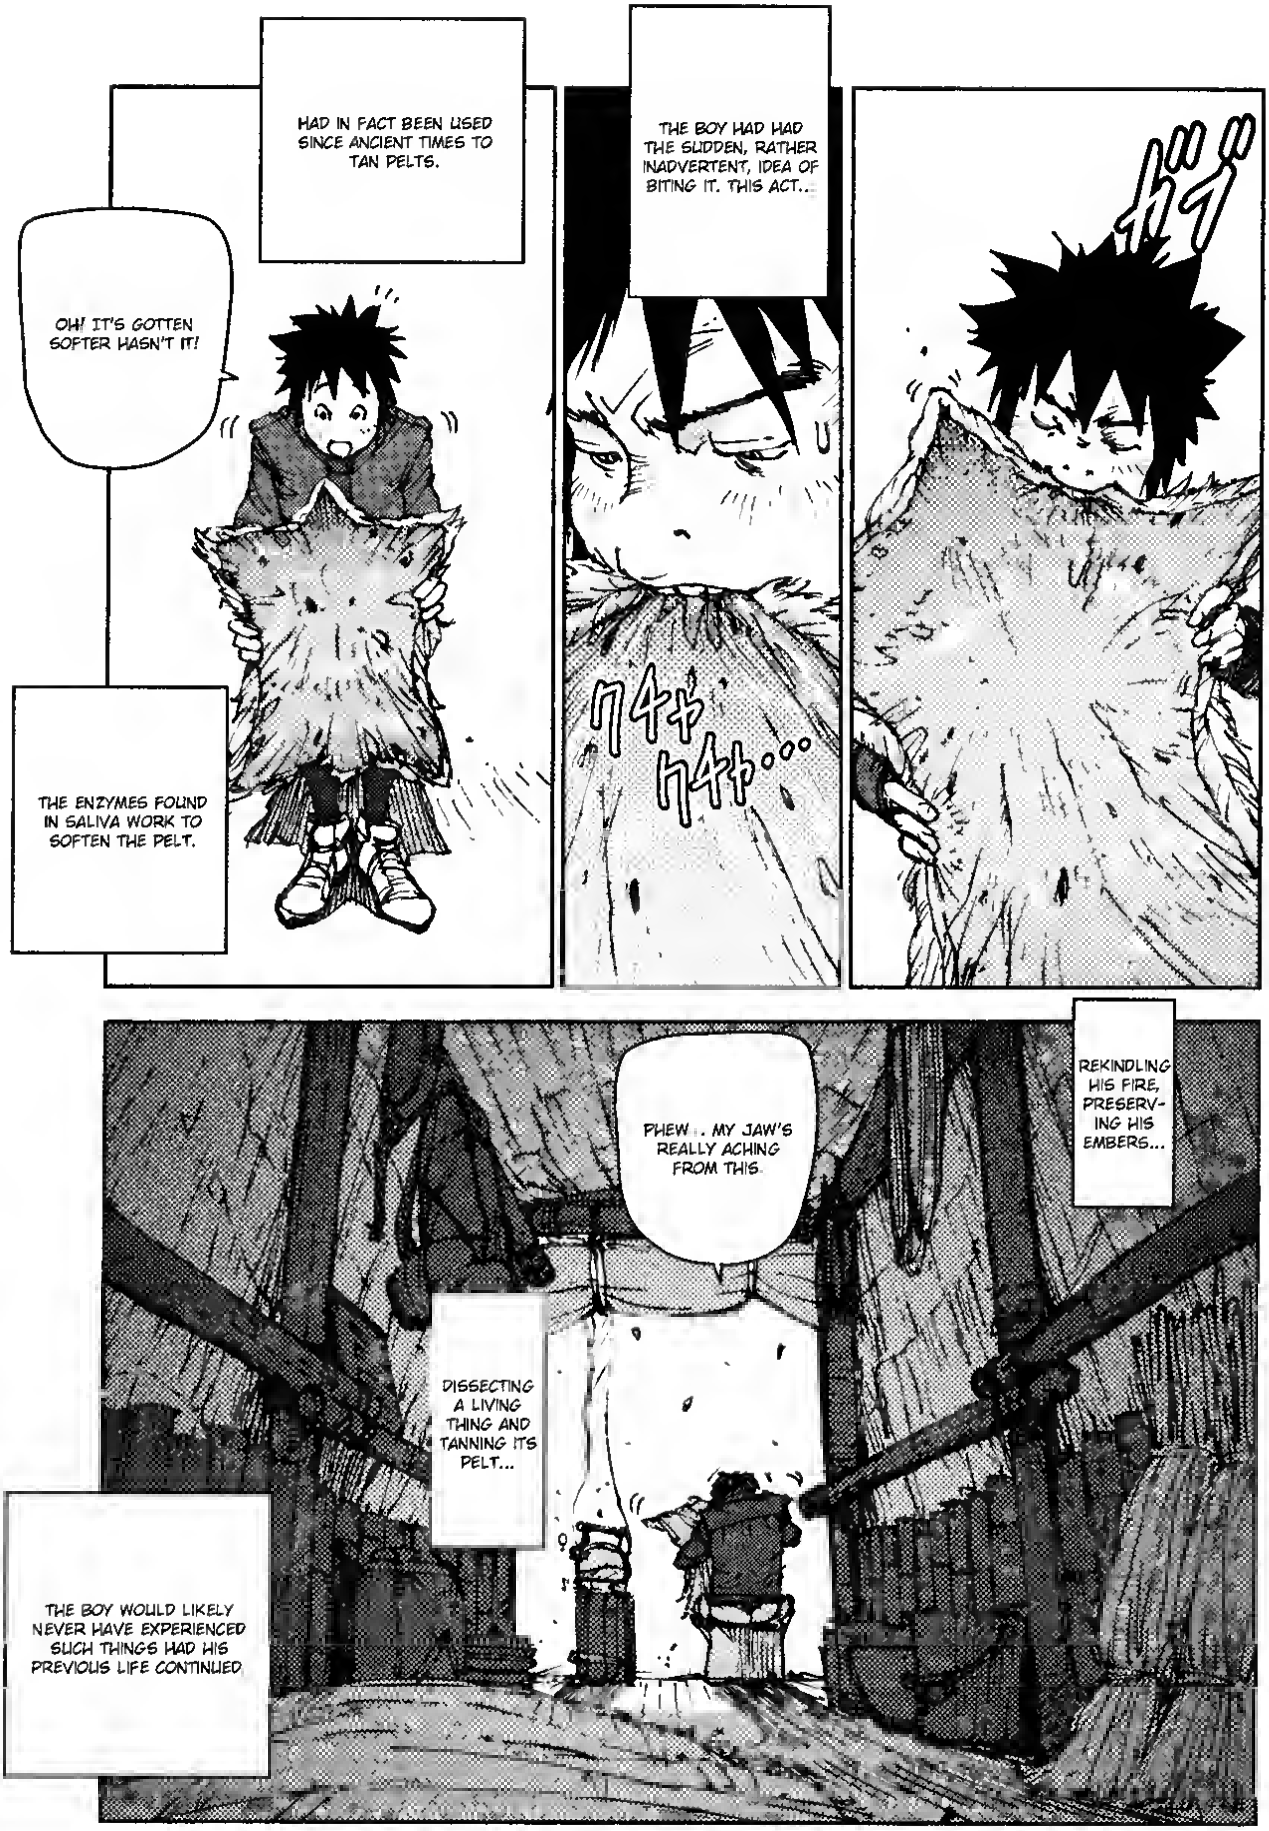
HUFF!
LET'S GO, LET'S GO, LET'S GO YOU BLOODY RABBIT!
IT'S NOTHING LIKE FILLETING A FISH. THEY'RE TOTALLY DIFFERENT CREATURES..
PHEW... IT'S HARD TRYING TO SKIN AN ANIMAL.

HAHA...
WELL? THIS SHOULD DO...
YES. TIME FOR DINNER, DINNER!
STILL IT'S GOTTEN LATE.

CHOMP.
THE MEAT'S DELICIOUSSS!
WOAAAH, THAT'S GREAT!
AND THE BROTH... JYUN JYU WA!
ドボボ
A POLYETHYLENE TANK HE PICKED UP.
T/N: THIS IS A JOKEY SORT OF EXCLAMATION PHRASE USED BY COMEDIAN KEN HORIUCHI.

IT SHOULD BE ABLE TO MAKE IT THROUGH WIND AND RAIN HERE.
ALL I CAN DO NOW IS PRAY THAT THE EMBERS REMAIN PROTECTED UNTIL MORNING.
BUT THERE'S NOT REALLY A LOT ELSE FOR IT, I'VE GOT TO TRY AND DO SOMETHING.
MM, IT'S WARM.
I'D LIKE TO LET THE FIRE BURN EVEN WHILE I'M SLEEPING, BUT IT'S A BIT TOO WORRISOME.
I'VE HEARD YOU CAN GET CARBON MONOXIDE POISONING FROM A LACK OF OXYGEN.
GOOD MOOORNING.
スコ
KUUH, I'M TIRED.
TIME TO SLEEP. SLEEP.

I THOUGHT I'D MANAGED TO CLEANLY TAKE ALL THE MEAT AND FAT FROM IT...
IT'S ALL DRY...
THIS ONE'S NO GOOD.
HMMM, BUT...
4'1 4'1
THE EMBERS MADE IT!
GREAT, IT'S LIT UP AGAIN!
HAIR ALREADY BACK TO BEING FRIZZY.
ボッ
IT CAN'T BE.
ARE THEY RINSING IT?
MAYBE I CAN GLEAN SOMETHING FROM THE BOOK.
IT'LL JUST BREAK APART...
BUT IF IT'S THIS STIFF...
I HAVE TO TAN IT...
...
WHAT DO I DO. AS IS THERE'S NO WAY I CAN USE IT.
ぱりぱり



HAD IN FACT BEEN USED SINCE ANCIENT TIMES TO TAN PELTS.
OH! IT'S GOTTEN SOFTER HASN'T IT!
THE ENZYMES FOUND IN SALIVA WORK TO SOFTEN THE PELT.
THE BOY HAD HAD THE SUDDEN, RATHER INADVERTENT, IDEA OF BITING IT. THIS ACT...
カプ
カプ…
カプ
REKINDLING HIS FIRE, PRESERV-ING HIS EMBERS...
PHEW... MY JAW'S REALLY ACHING FROM THIS.
DISSECTING A LIVING THING AND TANNING ITS PELT...
THE BOY WOULD LIKELY NEVER HAVE EXPERIENCED SUCH THINGS HAD HIS PREVIOUS LIFE CONTINUED

SOMEHOW OR OTHER, THE BOY HAD UNKNOWINGLY MANAGED TO EKE OUT A LIFE THERE..
SEVERAL DAYS LATER...
INDEED, HE CERTAINLY APPEARED TO BE GROWING STRONGER AND MORE ROBUST.
